

INDUSTRIAL ELECTRICIAN – DAY SHIFT

Pay: \$30+/hour (DOE)

Relocation assistance may be available for qualified candidates

WHY JOIN US?

Located in Portage, you'll get to enjoy the lifestyle that Northern Maine has to offer — from hunting, fishing, snowmobiling, ATV trails, and hiking to the close-knit communities and slower pace of life. Whether you enjoy the outdoors year-round or want a great place to raise a family, the region offers unmatched access to recreation and natural beauty.

Maine Woods Company is a leading hardwood lumber manufacturer focused on precision manufacturing and high-quality products. As the largest single producer of hard maple lumber in the Northeast, we take pride in producing some of the whitest wood in the region.

We are committed to safety, reliability, and continuous improvement, and we value employees who take pride in their work.
